PRESIDENTS MESSAGE

Pablo Garcia

Greetings Cabildo Shipmates;

We have come to the beginning of July and the time for our next reunion here in San Antonio is getting closer and I would like to remind everyone that our registration date for this event is prior to August 8th with Gathering Plus and September 8th with the Windham Hotel. I realize the summer has been busy for everyone but the dates will be here before we know it.

We have had a tremendous amount of rain and this summer has been something we haven't seen in a long time so everything is very green around here and expected to stay

that way, the climate for the months ahead is promising to be cooler than usual but I still don't think you all will need a jacket.

I think we included a lot of the information needed about the reunion on my last letter and of course it is all in our website so I am not going to bother you all with it.

Let's have a great turnout and see you in October.
