**Reunion Deposit Deadline July 8th!**

Due to a new arrival in the Gatherings Plus family they have requested that our deposits be in by July 8th rather than July 11 as stated on the registration form and our website.

I feel sure they will be able to accommodate a few late registrations but at some point a second or bigger bus or room may not be possible. Please get your deposit in by July 8th. Thanks.

### Presidents Message

Leo A. Waltsak

Greetings Cabildo Shipmates, Family and Friends,

I just returned from a great weekend visiting family and friends at Emerald Isle, NC located midway between Virginia Beach, VA and Myrtle Beach, SC. My brothers and I caught up on old times as we spent hours being rocked in the rolling waves beyond the breakers. I had such a

good time and it reminded me that very shortly I will visit the opposite coast along with many of you in San Diego for our reunion.

**ALERT: I was notified that the previous deadline of 11 July 2014 to pay 50% of your share of the Activity Package has been moved back three days to 8 July 2014 with the remainder due by 11 August 2014.** If you haven't sent in your money as of yet please do as soon as possible. Also, remember you need to make your hotel reservation as well. We are going to have a great time, and we don't want anyone left out.

I want to remind you that one of the highlights of our banquet is our fund raising raffle. Any gifts that you wish to donate to this cause are greatly appreciated. Its fun and a good time for everyone. Be sure to bring your ideas for next year's 2015 reunion, we are due to go to either the mid-west or east coast. The more complete the proposal the better chance it has of being selected. Also, if you have a favorite family recipe, Kathleen Bredehoeft will include it in the USS Cabildo cookbook, see her article below.

I want to wish each of you a very happy Fourth of July, and would ask that you remember the reason we celebrate Independence Day, and why we celebrate as we most often do. In a letter from John Adams to his wife Abigail, John writes, "The second day of July, 1776, will be the most memorable epoch in the history of America. I am apt to believe that it will be celebrated by succeeding generations as the great anniversary festival. It ought to be commemorated as the day of deliverance, by solemn acts of devotion to God Almighty. It ought to be solemnized with pomp and parade, with shows, games, sports, guns, bells, bonfires, and illuminations, from one end of this continent to the other, from this time forward forever more." In fact, the Declaration of Independence was signed on July 4th, and that is why we celebrate and honor that date.

Until we gather again, I wish you smooth sailing.

Sincerely, Leo.

## Hello Cabildo ladies!

Kathleen Bredehoeft

It's less than 3 months until our trip to the West Coast. Just a reminder, if you would like to add any recipes to our Cabildo Cookbook, please email them to me at . I [cmladyk@cebridge.net](mailto:cmladyk@cebridge.net) will add them to the end, and print out new pages to add to your books. If you don't have a book yet, I will be bringing some with me. It's a small one, only about 24 pages, but ALL good recipes from ALL OVER the country!

Also remember to bring something (or things), perhaps from your area, to include in the banquet night door prize raffle. If you prefer, you might find something once you get there.

If you have questions about the reunion, let me, Linda Kendrick (this year's hostess), Maureen Bittle, or Deb Fulps know.

Kathleen Bredehoeft

## Website/Newsletter

**Warren Gammeter**

I have noticed that some crewmembers on our e-mail address list include several whom constant Contact reported opened the "book of interest" sent 3/11 and did not open the Spring Newsletter sent 5/1/14 or the winter newsletter sent 2/9/14. I suspect that the size of the newsletter, pictures and all may be causing it to be filtered out by some internet services or possibly be redirected to a junk file.
